

Method of Manufacturing a Ski

5

BACKGROUND OF THE INVENTION

10

Cross-Reference to Related U.S. Patent Application

I hereby claim benefit under Title 35, United States Code, Section 120 of United States patent application Serial Number 09/130,892 filed August 7, 1998. This application is a continuation-in-part of ^{Application Serial Number} ~~the~~ 09/130,892 ^{, now U.S. Patent 6,331,008} application. The 09/130,892 application is currently pending. The 09/130,892 application is hereby incorporated by reference into this patent application.
